Classroom Rules and Consequences:

Policies and Procedures
Homework

Late Assignments Policy: Mountain Ridge students have within the current unit of study to turn in assigned work for full credit, as determined by the teacher, level, and department on campus. The length of the unit of study and due dates will be clearly communicated to students by the teacher. Any assignment less than a week old at the end of a unit will have a one-week submission period.

Classwork Policy: In-class assignments may be due by the end of the class period. Printed in-class work should be turned in through designated trays in the classroom.

Daily Device Use (iPads)

Students should come to school with their iPads charged and ready to use in each class every day. Devices may not be used to record or take photos of other people without their consent. Consequences for classroom disruptions and misuse of devices will follow a progressive discipline model, beginning with a phone call home and progressing to office referrals for repeated or more serious offenses. See the Student Rights and Responsibilities consequence chart in the handbook for more specific descriptions of infractions and consequences.

Recommended Supplies for this Course: Some sort of paper in an organized binder for which notes can be written and kept for frequent reference. A way to organize and keep handouts, pen and pencil and a basic function calculator are essential materials to have access to. **If you have any issues obtaining these**
