Course Description:

This course is supervised work experience with a minimum of 5 hours per week in a paid or unpaid position. Students will meet for seat time until released to their internship sites. Students must provide their own transportation to their work sites and be 16 years of age or older.

Student Eligibility:

Must be a DVUSD 11th or 12th-grade student and not eligible for a CTE Internship (students eligible for a CTE Internship should enroll in the CTE Internship course instead)

Must be eligible to work in the state of Arizona

Must secure own paid position with an employer

- S

Homework: Students are given class time to complete the first three weeks of assignments, all other assignments and assessments will be completed outside of class.

No extra credit is given in this course.

Report Cards

In an effort to conserve resources and harness the capacity of our electronic grade reporting

Test Retakes – Assessment Category Only

The student completes another assessment of the same learning targets. The assessment to be retaken may be in the same format or a different format and will be at the same difficulty level. The higher of the two scores will be entered in the grade book.

To earn a retake opportunity, a student must complete all of the following:

- Consult with the teacher
- Submit a reassessment plan or application.
- The reassessment plan may include all formative coursework related to the content/skill assessed

Reassessment Plan

The student must initiate contact with the teacher within 5 school days of the assessment score being posted.

The student must communicate with the teacher to create a reassessment plan.

AI Statement

In Deer Valley Unified School District, we are committed to providing our students with the best possible education while ensuring their safety, privacy, and well-being. As part of our ongoing efforts to enhance learning experiences, we may incorporate the use of Artificial Intelligence (AI) in the classroom for students. However, it is important to approach this technology with caution and adhere to responsible data privacy practices.

DVUSD has determined that the use of Large Language Models (LLMs), such as ChatGPT, is prohibited unless clearly specified by your teacher. Specific guidelines will be provided in the assignment details. If you are unsure if the tool or website you are using is an LLM or if it is permitted on a specific assignment, please contact your teacher before submitting your work.

Daily Device Use (iPads)

Students should come to school with their iPads charged and ready to use in each class every day. Devices may not be used to record or take photos of other people without their consent. Consequences for classroom disruptions and misuse of devices will follow a progressive discipline model, beginning with a phone call home and progressing to office referrals for repeated or more serious offenses. See the Student Rights and Responsibilities consequence chart in the handbook for more specific descriptions of infractions and consequences.
