Reteach Expectation, Confe

In addition to the Academic Prep times built into our schedule each week, additional assistance/tutoring is provided on a weekly basis both by MRHS and individually by instructors. These office hours will be posted in my classroom, website, and/or Canvas at the start of each week. I will demonstrate to the students how to find my availability each week.

After an absence a student has one school day for each day missed to make up work/tests, regardless of the number of days absent. If many days were missed, please schedule an appointment with me to formulate a plan for the completion of make-up work. Make-up work for extended absences (over 3 days) may be requested through the Counseling Office and picked up there.

In order for _____ to be accepted, students must meet the following parameters:

- Assignment is not due within the class period
- Assignment is not a timed activity (such as a Quick-Write Essay)
- Assignment is not a Long-Term assignment (over multiple weeks)
- Assignment is turned in by the end of the instructional unit (No longer 5 days after Unit ends)

In-class assignments may be due by the end of the class period. You will receive time to complete in class.

The student completes another assessment of the same learning targets. The assessment to be retaken may be in the same format or a different format and will be at the same difficulty level. The higher of the two scores will be entered in the gradebook.

To earn a retake opportunity, a student must complete all of the following:

- Consult with the teacher
- The reassessment plan may include all formative coursework related to the content/skill assessed
- Submit a reassessment plan or application, if required by the teacher

The student must initiate contact with the teacher within 5 school days of the assessment score being posted.
The student must communicate with the teacher to create a reassessment plan.

In Deer Valley Unified School District, we are committed to providing our students with the best
