

### Missed/ Late Work Policy:

If you miss school due to an excused absence, you have as many days to make the work up as you missed. For instance, if you miss three days, you have three days to make the work up.

If you were present for class, but failed to turn your work in, 10 points will be subtracted for each late day.

Special exceptions to the above may be made for students who have prolonged absences.

### Classroom rules

Respect your teacher, respect your fellow students, and do your best every day.

Remember...

Drinks, food, or gum = automatic infraction on your character card. (Water is OK)

No use of electronics
